I understand that the information I have given is correct to the best of my knowledge, that it will be held with confidentiality. It is my responsibility to inform the dental staff of any changes in my child's health status. I hereby authorize Dr. Tahir Paul and his associates to perform and necessary dental services including but not limited to comprehensive examination, taking dental x-rays, photographs or any diagnostic aids deemed appropriate to make a thorough diagnosis of my child's dental needs, cleanings, any recommended dental treatment mutually agreed upon and the use of appropriate medication, therapy and administration of anesthetic agent indicated for such treatment.

NOTICE OF PRIVACY PRACTICES ACKNOWLEDGEMENT FORM

I understand that dental treatment for children includes efforts to guide their behavior by helping them understand the treatment in terms appropriate for their age. Dr. Paul and his associates will provide an environment that will help children learn to cooperate during treatment by using praise, explanation, and demonstration of procedures and instruments using variable vocal tonalities.

Initial: _____

By signing below, you consent to the use and disclosure of your child's Protected Health Information (PHI) by Dr. Tahir Paul, his associates, and his staff for treatment, payment and health care operations as specified on our Notice of Privacy Practices Form. You have the right to review our Notice prior to signing this consent. The terms of this Notice may change and the revised Notice will be posted in our office. It may also be requested by contacting this office at (760)745-7070.

You have the right to request that we restrict our uses or disclosures of your child's Protected Health Information that we are otherwise permitted to make for treatment, payment and healthcare operations, although we are not required to agree to these restrictions. However, if we agree to further restrictions, they are binding to us. You may refuse to consent to the use or disclosure of your child's PHI, but a written document is required. Under this law, we have the right to refuse services should you choose to refuse to disclose your child's Protected Health Information (PHI).

APPOINTMENT POLICY

Our office shares the same priorities for your child's well being. We make an effort to schedule appointments for your child's best interest. Dental appointments are an excused absence. Missing school can be kept to a minimum when regular dental care is continued.

Late Policy

Please understand, for a typical 30 minute appointment, tardiness of even 10 minutes can greatly diminish the time and quality care your child should receive. Please understand that if you are more than 10 minutes late, your child's appointment might be rescheduled to another day, where we can allow enough time for his/her visit.

Appointment for siblings

We understand your time is very valuable. We can offer appointments for up to 3 siblings from the same family to come in together for their regular check up appointments. Please understand that we reserve over 1½ hours for your family. If you break this type of appointment, any future scheduling will be for only 2 children at a time. The same tardiness and broken appointment policy applies for sibling appointments.

Failed appointments

Since scheduled appointments are reserved exclusively for each patient, we ask that you please notify our office at least 24 hours in advance if you are unable to keep your regular check-up or consultation appointment. If your child is scheduled for dental treatment, especially under sedation or general anesthesia, our office requires a 48-hour notice if you cannot keep your appointment. Another patient who needs our care could be scheduled if we have sufficient time to notify them. We understand that unexpected things can happen, but we ask for your assistance in this regard.

Our failed appointment policy is as follows:

First failed appointment: \$25 Broken Appointment Fee

Second failed appointment: \$50 Broken Appointment Fee per patient and/or dismissal from the practice

This is NOT in any way an attempt to punish a patient for unexpected emergencies (i.e. sudden illness, accidents). The fees listed above do not apply to these unforeseen circumstances, unless they are an ongoing issue. If an appointment cannot be kept, please call us at least 24 hours before your appointment to cancel.

We strive to offer the very best quality care to your child. We appreciate your cooperation and understanding.

I have read and understood the Appointment Policies mentioned above and agree to abide by the fee structure as per necessary.
